

Traffic and Ambassador Team

Do you like a busy and exciting environment? Are you organized, friendly and fun? You might be just right for the ambassador and traffic crew! Ambassadors assist the traffic crew in unloading busses of children who are visiting the festival. As traffic liaisons and ambassadors, you are the front line of the festival and will help set the tone for the rest of the day! Once everyone has been shuffled off the busses, ambassadors will help groups cross the street and guide groups to the appropriate venue or activities.

Although half day shifts are available, we strongly encourage volunteers in these areas to sign up for both the morning and afternoon shifts where possible. A great deal of training goes into these areas and the stronger the volunteers, the safer and more efficient these areas will be.

Volunteers will receive 1 ticket voucher to a performance for each shift worked, as well as refreshments from our Hospitality Suite. Volunteers who sign up for a full day will also receive lunch.
