### Program Information

This program invests in professional development opportunities for individual professional artists<sup>1</sup> in Calgary<sup>2</sup>, allowing them to take advantage of short-term opportunities that will develop their careers.

**Please note that this will be the final intake for the Artist Opportunity Grant, which will be replaced by the new **Individual Artist Program**.**

Please read the following guidelines before starting your application.

#### *Who can apply?*

We consider a professional artist<sup>3</sup> to be one who:

- Has specialized training in the artistic field (not necessarily in academic institutions).
- Is recognized as a professional by their peers (artists working in the same artistic tradition).

---

<sup>1</sup> This program is not intended to support amateur artists or arts administrators.

<sup>2</sup> Applicants living outside of Calgary may apply if they can demonstrate a commitment to maintaining a majority of activities that contribute to the Calgary arts community and are accessible to Calgarians.

<sup>3</sup> Adapted from the Canada Council for the Arts.

- Is committed to devoting time to artistic activity.
- Has had at least one presentation or publication within a professional context.

What defines a professional context can be different for all disciplines; generally speaking this does not include:

- Work within a degree-granting program.
- Presentations or publications of a university or post-secondary institution.

We welcome applications from those working in all artistic disciplines and their various cultural forms, including: Indigenous arts; circus arts; craft arts; curation; dance; deaf and disability arts; digital arts; literature; film and media arts; multidisciplinary practice; music and sound; theatre; and visual arts.

Artists may apply to participate in opportunities to which their groups or collectives have been invited, but must focus on the impact to their own distinct practices and careers.

If you are seeking an opportunity directly related to your ongoing work with an arts organization, please show that the organization has also invested in your opportunity to an appropriate level.

Any single applicant may only receive one Artist Opportunity Grant per calendar year.

**If you have any questions about eligibility and your practice, don't hesitate to contact us!**

*What can you apply for?*

This program can cover expenses related to a unique professional opportunity, to a maximum of \$2,500. If the overall expenses are higher than this amount, you must show how you will cover the remainder.

Opportunities more than halfway complete by the time of a given deadline are not eligible.

*What is an Opportunity?*

An opportunity is a unique experience that significantly develops your artistic practice and/or career.

This program is focused on types of learning that happen outside of when you are creating, producing and practicing your art form. So rather than the output of your work itself, this program can support the development of the skills, knowledge and relationships that make it possible to do your work.

Use the following checklist to know whether your opportunity fits the program:

- You have not experienced anything similar to this in your career or practice.
- The opportunity teaches or provides something you would not be able to receive as effectively on your own.
- What you might experience could significantly transform your career or the way you practice art.

### *Need Help?*

Contact the Community Investment Team at [grants@calgaryartsdevelopment.com](mailto:grants@calgaryartsdevelopment.com) or 403.476.2031 if you have specific questions about your application up to 48 hours before a deadline. In some cases staff will send a submitted application back to draft and notify the applicant if it is incomplete, both before and sometimes after the deadline.

## Deadline Extension Policy

Calgary Arts Development intends its granting process to be open, fair and transparent.

Calgary Arts Development has a responsibility to the citizens of Calgary to ensure the security and value of their investments.

For clients who intend to submit applications but will miss the deadline, a written request for extension must be received by Calgary Arts Development before the deadline.

Requests not received in time will result in ineligibility for that granting period. The request must state the reason(s) the application deadline cannot be met. Acceptable reasons may include:

- Personal health or family crisis
- Birth or death of a family member
- Unforeseen personal priority

Calgary Arts Development staff will review the request for extension. If in Calgary Arts Development's sole discretion the reason for the extension is compelling, a deadline extension will be granted. A written notice explaining Calgary Arts Development's decision will be sent to the applicant. Extensions will only be granted if doing so will not materially affect the planned assessment process.

Notwithstanding the foregoing, Calgary Arts Development, in its sole discretion, may grant an extension in extenuating circumstances.
