# BACKGROUND

In January 2015 the ROXY Theatre on 124 Street in Edmonton, AB was lost to a fire. The Board and Staff of the Theatre Network who operate the ROXY have undertaken to rebuild the ROXY and increase its usable spaces to include a 200 seat mainstage theatre, a multi-functional blackbox performance space, a rehearsal hall, and 3 gallery spaces (one on each level of the building). These new gallery spaces will offer visual artists another space and opportunity to showcase and sell their works. The new building is scheduled to open in the fall of 2021, and we are now accepting expressions of interests from artists who wish to be considered for future showings in the ROXY.

# ELIGIBILITY

Artists must be Canadian citizens or Permanent Residents, have an established art practice, and be free to enter into an agreement to have the ROXY show and sell works on their behalf.

# ELIGIBLE ART

- Work may be 2-dimensional wall-mounted, 3-dimensional wall-mounted or free-standing, executed in any medium. Exhibition space is limited in its ability to accommodate work involving sound, light or movement.
- Artists may submit up to 10 works for consideration, but should submit no less than 3 works so the Curator is able to gain a reasonable understanding of your practice.
- Images of the works should be submitted via high resolution photographs, via email, dropbox, Google Drive, or another file sharing service for large format images.
