

## RMS Measurement Technician

Calgary Photos is a specialized photography firm serving realtors, builders, renovators, architects, and interior designers. We are led by award winning real estate photographer Robert Moroto.

At Calgary Photos we take pride in our work. We care about our customers and want to see them have a great customer experience. Our photos represent our team: professional, cutting edge, and the best in the industry! Be part of our talent! **We are looking for an enthusiastic RMS Measurement Technician on a casual basis.**

### What Does the Job Entail?

- Provide detailed above and below grade measurements for clients
- Create schematic diagrams and RMS calculations for clients following RECA guidelines
- Measurements in non RMS areas
- Inputting dimensions on site to draft an RMS compliant outline
- Determine RMS above grade floor areas as well as developed and undeveloped floor areas of below grade levels
- Collaborate with team to create finished product with tight turn-around times

### What do You Need to Know?

- RECA guidelines for property measurement
- Proficient in measurements in above grade and below grade levels
- Knowledge and application of the Residential Measurement Standard for Alberta

### Who are You?

- You have a passion for what you do
- Positive, professional, and enthusiastic attitude
- A team player that is committed to the team and holds themselves accountable
- Excellent communication skills with the desire to go the extra mile for the client

Join an amazing group of people who love photography and love great work. We offer competitive pay, challenging work, and an opportunity to work with a collaborative group of amazing professionals! Please email your application to [rob@calgaryphotos.ca](mailto:rob@calgaryphotos.ca). No agents please.
