

**Shaw Pride Marches On
Temporary Art Installation at Memorial Park**

CALGARY REQUEST FOR ARTIST PROPOSALS

Background:

Shaw, in partnership with Calgary Pride, The City of Calgary and Calgary Arts Development seek the participation of four 2SLGBTQ+ or BIPOC artists or artist teams with public art experience to create four temporary art mural installations (1 mural per artist/artist team) at the four corner entrances to Memorial Park in celebration of Calgary Pride.

Due to Covid-19, Pride celebrations around the world have been cancelled. Pride is at its essence a celebration of resiliency, community, and love. This year will be no different. With this in mind, Calgary Pride will be reimagined – but its spirit will endure.

At Shaw, we believe that belonging, inclusion, and diversity enhances our culture and creates value for our employees, our customers, and our shareholders.

Shaw has been participating with Calgary Pride for 5+ years. We wish to continue advocating equality alongside our employees, as this is one of Shaw's core values. The Calgary Pride Parade is one example where our ongoing dialogue has had an impact. Year after year we see the number of Shaw employees and leaders at the Calgary Pride Parade increase, helping to create a work environment where people from the 2SLGBTQ+ community feel they can be their authentic selves. This has also given us the opportunity to continue to educate our teams on what it means to be an ally.

Note: The City of Calgary has approved this concept and is in the process of formally approving the installation application. While we are eagerly awaiting approval, it looks very positive that we will get City approval in the next few weeks.
