## CSJ 2021 - Audio/Video Coordinator

CJSW 90.9 FM is a successful recipient for funding from the 2021 Canada Summer Jobs program. As a successful recipient for funding, CJSW will hire seven positions over the course of this year's eligibility period.

These positions are limited to Canadian citizens between the ages of 18 and 30.

The Audio/Video Coordinator will work closely with CJSW's Music & Performance Director to capture and produce audio and video content. This producer will focus on audio and video production for CJSW Live Sessions, as well as developing content from archival audio. In-studio sessions will depend on current Alberta Health guidelines. In the absence of in-studio performances, the A/V Producer will work with staff to develop other original content; this could include, but is not limited to, local music-focused programming and podcasts, retrospectives, live-streams, creative video companion pieces.

The successful candidates for the Original Content Technician positions should have a thorough knowledge and broad appreciation for all types of and styles of original content creation with a focus on audio and video production and editing.

**Term: 9 weeks at 30 hours per week @\$16.50 per hour. Applications will be accepted from November 12th, 2021 to 12pm on November 29th, 2021 with work ideally commencing on the week of December 6th, 2021.**

### Tasks and Responsibilities

- Reports primarily to the Music & Performance Director
- Recording, filming and editing content for FM broadcast and online broadcast
- Developing ideas, coordinating production and executing projects pertaining to CJSW original content programming which includes, but is not limited to, live sound engineering, video capture and production.
- Acting as liaison between CJSW and festival and venue partners to develop content opportunities
- Updating a guide of best practices for audio/video engineering at CJSW
- Engineering and capturing performances at CJSW's all-ages concert venue, The McHugh House
- Posting content to [cjsw.com](http://cjsw.com), iTunes and Soundcloud
- Promoting syndication of CJSW's original content for online consumption and use by other organizations
- Other duties as assigned

### Required Skills

- Comprehensive understanding and appreciation of audio and video production
- Experience with Logic audio editing software is an asset
