Max: 10 Participants

The Six Degrees Emerging Artist Summer Intensive offers 2 weeks of high level and rigorous training in theatre, film/television, and voice-over performance, taught by working professionals. With a focus on performance styles, technique, emotional readiness, and making smart and specific choices, we push actors to reach their performance potential as we explore the craft of acting. We are committed to preparing our students for success by giving them the confidence, knowledge, and tools needed to be working professionals, and dedicated to fostering and furthering their careers.

Participants will have the opportunity to learn from long time working actors and directors, and to audition for and get feedback from top professionals in a safe classroom setting.

Class size is limited to a maximum of 10 actors in order to ensure that each participant receives ample time on-stage, on-camera, and on-mic where students learn from peer feedback and performances, as well as their own work through comprehensive and professional one-on-one instruction.

We welcome serious students who are keenly motivated, with a strong desire for a career in performance. A letter of intent is required for admission.

To apply, please submit a headshot, resume, and a brief letter of intent to [christian@sixdegrees.ca](mailto:christian@sixdegrees.ca)
