

MURAL CREATIVE PRODUCER

The Mural Creative Producer will play a crucial role in the representation of the containR Art Park murals, acting as on site community, artist and partner liaison.

RESPONSIBILITIES

- Act as a liaison between containR, the street art community and mural artists, and stakeholders in the mural community in Calgary
- Research and implement ways to connect neighbours to the murals through 1) encouraging viewings, 2) encourage discussion about themes that might inspire murals, 3) to encourage a conversation about the murals and the artists that created them
- Plan and paint a series of murals on site
- Maintain murals on-site
- Coordinate orders for mural supplies
- Build strategies for mural year-round maintenance
- Help empower youth and community through mural making
- Assist with the Youth Mural Project to inspire and train youth to paint murals and inspire ways to capture the process through writing, photography and social media
- In collaboration with the Artistic & Operations team, contribute to the organization's strategic plan for onsite murals
- Research funding opportunities for mural commissioning
- Manage mural focused meeting schedules, attend meetings as required, and maintain meeting documents
- Acts as a representative for the company within the community, including attendance at other containR events, and community events
- Promotes the values and mission of containR, ensuring these are known and shared by the team members, artists, and partners

INTERNSHIP SPECIFIC QUALIFICATIONS

- Excellent organisational skills
- Excellent customer service skills
- Knowledge of Airtable an asset
- Knowledge of Google Workspace
- Basic knowledge of performing arts and venue services
- Basic knowledge of event technical aspects an asset
