

Job Fair - June 11th: 10am-2pm

Luminarium Hiring

The purpose of Calgary's science centre is unwavering. Spark exists to make lives — and the world — better through an affinity for science. Through visits to Spark, and encounters with Spark in the community and online around the world, people are lifted up by the positive power of curiosity, experimentation, and creativity. Spark is a registered charity.

The outcome is profound. Spark helps people of all age's fuel up for the future because, at Spark, science, technology, and invention are embedded in cultural experiences. This creates new points of access to the disciplines at the core of innovation. Spark team to transform lives and inspire the future.

Spark is currently recruiting for multiple 4-week contracts to work in our new temporary outdoor exhibit Luminarium. The Luminarium is an enclosed outdoor extravaganza that will excite people of all ages and spark curiosity.

Details:

- Rate of pay: \$16.42
- Contract Length: 4 weeks
- Contract start date: June 30th (all successful candidates must be available on this date to start)

Requirements:

- 18+ years old
- Excellent verbal communication skills and the ability to easily understand guests' requests.
- Reliable
- Excellent customer service skills
- Excellent teamwork skills
- Ability to be stationary for the entire shift, 4+ hours.
- Ability to lift up to 25 lbs
- Ability to withstand summer temperatures. The exhibit is outdoors in an enclosed space that may become hot.
- Ok with being in an enclosed space for a prolonged period of time.

Job Fair time and date: June 11th from 10 am - 2 pm.
