ATB Financial Healing Through the Arts Award

The **ATB Financial Healing Through the Arts Award** was established to recognize artists whose artistic practices encompass health and wellness to improve the wellbeing of individuals, groups, or communities. The award is intended to promote the healing nature of the arts and its critical role as a means of expression for those facing physical or mental health issues.

This is a \$5,000 cash award, with funds intended to allow an artist the ability to continue their work and expand their impact. The award will be presented to the recipient at an event celebrating the arts in 2022.

This award was established by ATB Financial and is a legacy project of Calgary 2012, Calgary's year as a Cultural Capital of Canada.
