

Accommodation & Accessibility Policy

This policy has been updated as of March 1, 2023

Calgary Arts Development is committed to open, fair and transparent processes. If you have any questions, want feedback on your application or if it's your first time applying, please don't hesitate to contact us for support. This policy is available at any point through the application process, for anyone who is thinking about applying for our programs.

Please see [Investment Program FAQ](#) for answers to common questions, and contact the program specialist as early as you can to ensure they can provide the best support possible. **Program specialists can only guarantee feedback up to 10 days before the grant application deadline.**

We will work one-on-one with potential applicants who experience barriers to develop accommodations that suit their abilities and situations. Some examples of accommodations are:

- Translation of written materials into other languages.
- Transcription of verbal meetings or audio and video recordings into a written document.
- Verbal video or audio applications. If you would prefer to answer the application questions verbally you can submit an audio or video recording of yourself or our staff can help record your responses using an online platform, such as Zoom.
- Language interpretation for phone or video meetings (Note: this will depend on the availability of external service agencies).
- Grant writing assistance if you need help.

You may be eligible for application assistance to pay someone to help you prepare and submit an application if you need it or for any of the reasons listed below:

- An artist who is Deaf, hard of hearing, has a disability or is living with a mental illness.
- An artist facing language, geographic or cultural barriers.
