

Empower Newcomer Families: Help Us with Sewing Machines!

At the Centre for Newcomers, we are dedicated to transforming the lives of newcomer youth and mothers in our community through essential skills training and support. Our sewing classes play a crucial role in this mission, equipping participants with practical skills, boosting their confidence, and opening doors to employment and entrepreneurship opportunities.

We Need Your Support!

To provide our students with an enriching learning experience, we are urgently seeking donations of sewing machines. Your contributions will not only enhance our sewing classes but also profoundly impact the lives of the families we serve by giving them hands-on experience that leads to empowerment and independence.

Here's How You Can Help:

- **Donate gently used or new sewing machines (or more than one!)**
- **Contribute accessories** such as sewing machine needles, thread, bobbins, or fabric.
- **Financial donations** for purchasing new sewing machines are also greatly appreciated.
- **Spread the word** to your friends and family who may be able to help.

Your generous support will enable participants to create, learn, and thrive in their new communities. Together, we can make a meaningful difference, one stitch at a time!

Donation Drop-Off Location: Centre for Newcomers (Youth Hub)
565 36 St NE #125, Calgary, AB T2A 6K3

If you are unable to drop off a sewing machine, we can arrange for pickup in the local area. Please contact our sewing program coordinator, Akberet Ande, at a.and@centrefornewcomers.ca or call 403-477-6836.

Thank you for helping us empower newcomer families! Your support matters!
