

OPEN CALL

Sandstone City is a new independent comedy show in Calgary's Beltline. Specializing in stand-up comedy, sketch comedy, and improv—basically anything funny.

We're inviting Calgary-based musicians or bands who are hungry to collaborate, perform, and be part of something original.

We're looking for a solo artist, duo, or a band to:

- Perform as house band
- Play 1-2 original songs during the show
- Create live improvised underscoring to heighten sketches and transitions

The vibe is intimate and theatrical — a black box theatre, not a bar or corporate stage.

This is a profit-share model, not a high-paying gig. It's a chance to play in front of a live, ticketed audience, and collaborate with comedians.

To apply, send us a link to your music or a clip of a live performance to:
