Call for Artists – Elders Story Project Book Cover

Who: Indigenous Visual Artists from Treaty 7 territory

What: Elders Knowledge Circle Society is seeking an Indigenous artist to create the cover art for the Elders Story Project book. This profound book has been developed by Indigenous Grandparents sharing their histories, voices, and knowledge on resilience, healing, and survival through the impacts of residential schools.

The process will begin with artists submitting samples of their work. The selected artist will then collaborate closely with the Grandparents to create a meaningful cover that reflects their stories and vision.

This is a one-time commissioned opportunity that will be provided to the selected artist.

Submit: Two pieces of sample art to Lynn La Saga

Due by: Monday, September 22, 2025
