Artist Call

Digital Art for e-Scooter Corrals

Project Intent

In partnership with the City of Calgary, BUMP Festival is calling on talented Calgary-based artists to create original digital artworks for e-scooter corrals. This project is an opportunity for artists to contribute to the city's ever-evolving urban art landscape while showcasing their creativity in a unique and highly visible format.

Scope

Selected artists will create **five** digital designs to be printed on City of Calgary e-scooter corrals.

Medium

Print-ready PDF.

Artist Fee

\$1,000, inclusive of GST.

Artist Eligibility

- Artists must be Mohkinstsis-based (Calgary and surrounding area).
- This opportunity is open to emerging and established artists.
- Artists from all backgrounds and disciplines are encouraged to apply.

The BUMP Festival values creativity, diversity, and talent in artists. We strive to be an inclusive project enjoyed by individuals of all classes, genders, cultures, ages, and abilities. Our mission is to foster a safe and equitable space where diversity is celebrated and represented through visual art. BUMP Festival strongly encourages applications from artists belonging to historically underrepresented and underserved communities.

How to Apply

Applications must be submitted through the following link:

[**e-Scooter Corral Portal**](#)

Submission Requirements

- A portfolio showcasing your artistic style and previous work.

- A brief artist statement (250 words max) describing your creative vision for the project.
- A concept sketch or description (optional but encouraged).

For reference, a diagram of the e-scooter corral layout and panel dimensions is included in Appendix A.

Application Format

The attachment must be uploaded as a single PDF file (no larger than 10MB). The file name should clearly indicate your name and follow this format:

NAME - 2026 BUMP Scooter Corrals.pdf

Submission Deadline

Applications must be received by **November 16, 2025, at 6:00 pm MST**. Applicants are responsible for ensuring their application is received before the deadline. **Only successful applicants will be contacted.**

Timeline

Application Deadline	November 16, 2025
Notification of Selection	December 5, 2025
Concept Submission Deadline	January 5, 2026

Application Assistance

If formatting or technical issues are a barrier to your application, please contact projects@beltlineyyc.ca for accommodations. We are happy to provide assistance where possible to anyone experiencing difficulties with their application.

Appendix A

e-Scooter Corral Diagram

Below is a diagram illustrating the e-scooter corral layout and panel dimensions to help inform your design process:

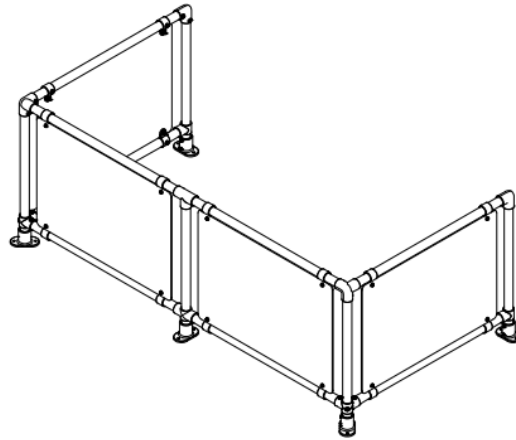

Figure 1: Example layout of a four-panel e-scooter corral.

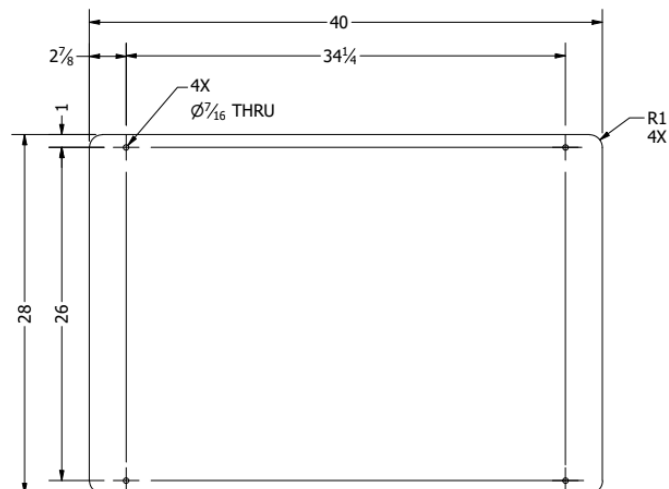

Figure 2: Single e-scooter corral panel.

Figure 3: The artist will be required to place the e-Scooter logo on **one** panel design.
